“ *In 2010 I began to search out the friends of my childhood. My contact with Kathryn was just a little too late to be able to write or talk to Naomi. But I have never forgotten her and some of the funny things that happened to us as children. There were 6 of us who were close friends. I have a wonderful picture of us and a class picture also. I would be happy to share them with you. Just contact me. With so much love and memories of my friend. Camilla*

“ I remember Naomi from when I was a little girl & best friends with her sister, Kathryn. Naomi was so pretty & vivacious. I remember her smile & strength. I never saw her once I graduated & moved away--& she had moved away, so we never connected again. She was the same age as my brother, Lee Hoppus, so we also had that connection, also. Rest in peace, Naomi.
