“ *Eva and Bobby Sorry to hear of Aunt Nellie's passing. It's never easy. My prayers are with you and your families. Every birthday and holiday I received a card from your mom and every month she called me. She was a wonderful person and a great aunt. But, most of all she loved her family.* Robyn

“ *To all of Aunt Nellie's family, I am so sorry for another loss in your family. My family and I have such fond memories of our trips to Bucklin. One of the first times I was at Aunt Nellie's, Dick and I were on our honeymoon (1965) and we stopped by to say hello to everyone. Of course, we had to get our picture taken and Aunt Nellie showed me that picture a few years ago. Please know that you are all in our thoughts and prayers.*
