“ *God our Father,
Your power brings us to birth,
Your providence guides our lives,
and by Your command we return to dust.*

*Lord, those who die still live in Your presence,
their lives change but do not end.
I pray in hope for my family,
relatives and friends,
and for all the dead known to You alone.*

*In company with Christ,
Who died and now lives,
may they rejoice in Your kingdom,
where all our tears are wiped away.
Unite us together again in one family,
to sing Your praise forever and ever.*

Amen.

“ *Nicole told me one time, when she was going to the hospital in St. Louis, "I dont want people to feel sorry for me. I lived more in my short life than most people ever will" She looked frail in that bed, but her spirit was strong.*

“ Nicole was a very special human being, I was always amazed at how strong and strong willed she was..I loved (not always liked}the way she always told what she thought, if I looked bad she said so, if I was being selfish, stupid, or smart. She worked hard to prepare us for for this day...She will truly be missed by all of us. Love you Nicole!!! Auntie
