“ So sorry for your loss. Orville was my bus driver when I was little. Really nice guy.

“ And where would I start ? Orville could GET IT DONE. He could "rig" anything to get by. & I guess as we all do, had his own terms & vocabulary. Ya'll ever sat down and had dinner with him and come desert time- well...he definitely wanted the "bullwhip" on his pie. These stories could go on and on. If you get the idea to call someone & chat, don't put it off- I did & this 1 is gonna hurt for a while.

Sorry to hear of Orville's passing. We have LOTS of good stories/memories of deer hunting with Orville and his family and you and yours, on the Mound Farm back in the day! David & Barbara Zell
