“ Othal was my only brother. He was a caring and loving brother. I can't imagine life without him. My heart is broken beyond belief. I love him very much. I know he is with Jesus now and is home.

“ Aaron lived & worked here at Heartland. It will be hard not to see his silver and red truck driving down the road with his smile whenever I'd see him. My prayers go to his mom, whom he often spoke about visiting, and to his grandchildren whom he loved to show pictures of; he was a proud grandpa, and of course to the rest of his family. I know that he knew Jesus.

“ I am so sorry to hear about the passing of Othal. My heart goes out to the rest of the family at this time. It had been over 10 years since I last saw him although I did speak to him 1-1/2 years ago and he seemed very content with where he was in life. I am a single grandmother up in Michigan and regret I will be unable to attend the services. I will keep Othal in my thoughts and prayers. Ronda

“ To all Othal's Family,

Othal was a great friend (classmate & sports teammate). He was a gentle giant. I knew all the years through school that if i ever needed him he would be there. I am very sorry for your loss. GOD understand your pain but the angels are singing in heaven upon Othal arrival. You are in my prayers. God Bless you all.
