“ Joann was an amazing lady who gave her all to everything she done. I spent some time with her and she had the biggest of hearts and I'm proud to say she was my adopted mum. She will be forever in my heart and memories and I hope you get the chance to shout BINGO and have fun with all your family and friends in the next life. Love Peter xx

“ Joann was such a wonderfully, positive person in life, even when difficult times were dealt to her. She was a good friend to all who knew her and a loving mom to her fur babies. She loved cooking and I will miss her posts on what she was "stirring up" that day. So many times I messaged her with, "I wish I were your neighbor!" She will be so missed but I'm happy that she is now pain free and cooking for all of her friends and loved ones who have passed.
