“ I have had some fun and decidedly inappropriate memories with Phyllis over the years. She had a huge heart and I am better for having known her. See you on the other side, B****. I love you. - Renee

This may be a little inappropriate, but if you knew Phyllis, you would understand. She was a dear friend to me, my brother Kent, and my Dad. You will be missed my friend.

*Brent when I heard of her passing the first thing that came to mind was Kent at the golden gate waiting with open arms!
Phyllis and I had some great times, once going to the lake condo with her and my friend Penny we swam a lot but this one morning we were floating and we escaped a crazy lady talking and Phyllis was stuck with her she gave us a great deal of trouble over it . Loved her, to young and full of life to be taken . God has a plan for all of us, until we meet again!*
