I'll never forget the times we had on the railroad, all the times when you came to our dances i think the girls would wait in line to dance with you and because my hair was real long you'd come up behind where i was sitting tap me on the shoulder and ask me to dance and when i'd turn around you'd say oh i'm sorry and just laugh lol. I will miss you my friend. R.I.P Ralph. see you on the other side.
