“ *Tammy, Janice, Roger and Billy Joe,
I just wanted to let you know that I am so sorry to hear about your mom. She is too young to be gone so quickly. She will be greatly missed, even though we didn't see her much anymore. Growing up in Browning, we were always around your parents it seemed. I always remember your mom and your dad as super hard workers and when she laughed she laughed all through her body. She didn't laugh at just anything, it had to be really funny before she laughed. She was too busy to laugh at just anything. Well, that is how I remember her, anyway. She was a close friend to my Aunt Mary and they would babysit me and Mark some or just be around us with the family. They were a quite a ornery pair, but full of fun. I have lots of good memories of your mom and all of you. Again, I am so sorry to know your mom is not with you on this earth, but I do know she is in a better place and you will see her again.
Love you guys,
Angela (Nickell) Elson*
