“ I loved this young man to no end, even though he could make me mad as a hornet at times. He had a big heart, I don't remember ever seeing him that he did not have a smile on his face or a big hug. My heart hurts for his family that loved him so much.

“ Rob and I had a lot of memories good and bad.. way more good than bad. He was a strong guy. Great heart. Him and a part of his family in Slater took me in when I had no one. He became a friend through being enemies kind of lol. It was a off and on thing.... We where truly boys when it came down to it thou. We where still great Facebook friends when I moved back home to Pennsylvania. Even on our worse days I loved this guy like a brother..We drank, we fought,we had plenty of great times,we worked, we survived,we where hardcore,and on and onWe where never the strongest but we would challenge all the big prizes Rob Edde is and always will be a great guy. I'm a grown man in absolute tears writing this..... RIP.....Rob Edde
