I only met Ronald once but know his sister well. They had a closeness and, I know, a mutual respect for one another. No matter what age, losing one's sibling is so sad. May he rest in peace. Kris Chavez

My dear sweet Ronald we have so many great memories of you. You always made us laugh and warm our soul. Your beautiful smile and laugh is something I'll never forget. You and Foxx always wanted to find your way back together. See you again another time, another place. Love you always.

I miss my brother in law so much. He was really one of a kind. You never knew what he was going to say but it was usually hilarious.
