“ Ruby was a dear friend to my mother, Barbara Ailor. They worked together for years and when my mother got ill, Ruby was always there to help her through the bad times. We were so happy when Ruby was able to move into our Mom's house, after her passing. We knew Ruby loved that house and was so proud of it. My thought are with all of her family. I moved to Florida in 2015 but made sure that I visited with Ruby before I left and I am so glad I did. She was a very sweet and giving lady. She will be missed. Audrey Whitney
