“ So very sorry to hear of Scott's passing. He was a great person who never knew a stranger. He always asked about others, then when asked about his family....he was the proudest father, grandfather there ever was. Allison, Briley, Marsha, Todd, Terry, you were truly blessed with a great Father, Grandfather, Husband, and brother. Praying you keep the great memories alive and know he is in a much greater place. Prayers Becky & Jim Fitzgerald

“ Allison, I am deeply sorry to hear of the loss of your dad. Words, however kind, can't mend your heartache, but those who care for you, share your grief and wish you comfort and peace of mind.

“ Scott was a great guy with a great sense of humor, and was a person you could trust to make good decisions when you were working together. He was a loyal BLE 75 member and was always eager to help anyone who needed it. He was a man who loved his family.
We will miss him.

“ Allison, I am so sorry for your loss. Your dad thought the world of Briley. He was his own kind of guy and looked at life as an easy-going person! God bless and keep him. God be with you and Briley as you mourn his loss. Keep his memory alive for her. Peace and prayers be with you, Sue Judas

“ Scott had told me only recently what was going on. I didn't expect it to happen so quickly though. I had met Scott when he hired out as a brakeman back around 1978 when he got out of High School. I also was one of his Engineer Instructors while he was in training to become an engineer. As per normal in life's routine we drifted apart as the future loomed ahead of both of us. He got married and had quite a new life ahead of him. I occasionally ran across him at work or Wal Mart in Brookfield. Always one of my favorite friends. Gonna miss you. Keep the door to Heaven open for the rest of us.
