“ *My parents were good friends of Ron and Pat so it seemed like we were always at each others houses. Anita and I were the best of friends and then came along Stacey and Jeff. Always tagging along and "pestering" us. Even though its been many, many years since I have seen any of the Mast family I will never forget those fun times. Prayers are going out for Ron and Staceys families. May God be with you all!!*

“ *Stacey was such an incredible lady. I had never met anyone as strong and willing as her. Everytime I saw her all she talked about was her kids. She loved them so much. I am going to miss her.*

“ Stacey was such a special person, i will always remember her smile and her love for her family. I didn't know her for a long time, but in the short time i got to know her it still makes me miss her alot now that shes gone:(I will never forget the day she just showed up and my house and brought me 2 chairs for our dining room table lol we had quite a convo that day! lol about what was goin on in baileys life and caleb and then i found out she went to school with my mom!...lol such a small world. She was always at the kids softball games and always at all the dances taking pictures of bailey. I'm really gonna miss not seeing her at those functions. And, my heart goes out to bailey and caleb...their mom was sooooo special:) and Tom because he went thru this before:(Hugs and prayers and u will see stacey again one day.
