“ *My sincere sympathy to you and your family. My husband, Eddie Smith, thought a lot of Steve. We enjoyed worshipping with him when you lived in Marceline and his health allowed him to attend services at Bethany Baptist. I know God will give you the peace that passes all understanding.
Sincerely, Maxine Smith*

“ *Steven and I had two children Steven and Vera Thompson. He called me often to let me know how much he loved me. How unhappy he was living where he was. He wanted me to take him back and take care of him. I had gone thru so much when we were married. Drinking to much hurts everyone. The children still live with me and he will always be in our heart. I tried as hard as could to get him to take better care of himself when we were together. I helped him thru flight school but it wasn't to last. I'm sure he is thinking of me now as I write this. He said he was sorry. That he knew he belonged with me and that he had made so many mistakes. I forgave him a long time ago for anything that he did that hurt me. I know that we will always be together. i'm very sad that we won't be able to still have our long talks but I know he is waiting for me in a better place. I hope that I live to be very old and stay well so that I can help our children because he is unable to.*
