**To Those I Love **

When I am gone, just release me,
let me go – so I can move into my
afterglow You mustn't tie me down
with your tears; I gave you

my love, you can only guess
how much you gave me in happiness.
I thank you for the love you each have
shown, but now it's time I traveled on alone.
So grieve for me a while that
we must part, so bless the memories within
your hart And then when you must
come this way alone, I'll greet you with
a smile and a "Welcome Home"
