

## Walter Lane Carr

July 19, 1946 - June 20, 2024

Walter Lane Carr, age 77, of Brookfield, MO; passed away Thursday, June 20, 2024, at his beloved farm surrounded by family.

Walter Lane was born on July 19, 1946, the son of Walter William and Winona Faye (Burd) Carr in Brookfield, MO. He grew up helping his father with the Jersey and Guernsey cow dairy farm. On October 19, 1968, Walter was united in marriage to Marilyn Krieger in Mission, KS; she survives him.

Walter served in the United States Coast Guard and for a time lived in the Washington D.C. area. While in D.C. he hosted a yearly tractor toy show that was always a high light for him. Once retired after 24 years as a Warrant Officer, the family moved back to Brookfield to raise British White Park Cattle.

Walter's blood ran green with his love for the John Deere brand, from his field ready tractor to his toy ones, that he never let his children play with when they were younger. Walter and his daughter, Laura, enjoyed butting heads about how to raise the cows to when to mow the hay in the summer. He also enjoyed his daily naps with one of the cats.

Walter is survived by his wife of 55 years, Marilyn Carr of the home, his daughter, Laura Carr of Brookfield, MO; his son, Andrew Carr and wife Casey of Livermore, CA; two granddaughters, two sisters, Cheryl Calhoun of Brookfield, MO. and Carol Hawkins and husband Sandy of Kansas City, MO. and several nieces and nephews.

He is preceded in death by his parents, one brother, Larry Carr, and one brother-in-law, Dennis Calhoun. Walter Lane Carr

A private service will be at a later date.

Arrangements are under the direction of Rhodes Funeral Home, Brookfield, MO.

“ I just learned of Walt's passing today. It saddens me so much to know that he is gone but he will never be forgotten. I worked with Walt at the Coast Guard Base, St. Louis, MO. He was a great supply officer and friend. We had some good times in St. Louis. My condolences to his family.

“ I was on the University of Missouri Extension State Council with Walter. He was a great Chair for the State Council and fought well for the County Councils when the Administration was proposing changes in Extension. Walter and I always had coffee together the morning of the State Council meetings. I miss those talks but have great memories of them.

“ Lane came into my life as soon as i was born. he was great friends with John Patrick Carey. John Carey is my grandfather. i love them both. i remember every time he would come over to the cabin in his John Deere gator. he was always so nice. he loved all of my siblings. Eva and Lola. Lola loves cows and still does to this day. i always loved how he and my grandfather would go to breakfast every morning. I miss you. i'll see you in heaven

“ I am so very sorry to hear of Walter’s passing. Our family has very good memories of many fun times. Our love of green and yellow tractors was our first connection through toy collecting, but a cherished friendship lasted well beyond the years of shows. Walter had many good stories to share and the group of friends always had a lot of fun. My sincere condolences to Marilyn, the kids, grandkids, and all the family and friends who will miss Walter! May our memories keep him close.
