“ Wanda has been a part of our family for 60 years and we were so blessed to have her in our lives. Much of the laughter and good times of our childhood go hand in hand with memories of her. A truer friend would be hard to find. I began to refer to a few things she did for our family but quickly realized it would be impossible to condense the list to a few lines. What I would like to say is that if we are allowed memories of worldly gratitude at the pearly gates, the line of those waiting to greet and honor my friend was quite long. As we all sang so often at Grace Baptist: "her" treasures are laid up, somewhere beyond the blue. I was blessed so often by this lady that my heart aches. We had plans to go to the Paducah quilt show in April until the stupid virus hit. Busy to the end. John, Joey, Jerry and Jeannie, I'm so sorry, because your families' loss is truly great. The kindest words I heard when we lost Dad was when Bro. Kenneth Kelly told me "You'll see him again." It has brought me comfort for 50 years and you know the same is true of your Mom.

“ She was my grandma, my rock, and my best friend. There’s an emptiness in my heart that you once filled. I hope you’re dancing up there. Thank you for the laughs, memories, and card games. Until we meet again.

“ This was not just my grandma, she was my best friend. She took me fishing, she took me camping, she let me ride on her moped even tho I wasn’t old enough or know how to at the time(had to use a tree to stop once at pershing park). I’ve lived with her when I needed taken care of and I’ve took care of her when she needed it. I can’t name just one memory with her because most my childhood memories are because of her. Words will never be able to say what I want them to, to show how I feel. I know your in a better place and waiting for my arrival so save me a fishing spot. And try not to argue with Jesus about card games up there it’s no longer your rules 😂. Love you then, now. And until we meet again 🥰

She was my best friend. We collected dolls together, sewed, embroidered and quilted together. We shared many adventures around the country. I will miss you, dear Wanda.

I met Wanda years ago through our love for Chatty Cathy dolls. She was a special friend and considered the Grandma of some online Chatty Cathy groups we both belonged to. She was a wonderful person and will be truly missed. Prayers for her family as they move on without her. Hugs, Wanda, and thanks so much for your friendship. You may be gone but you will never be forgotten. ❤️

Wanda will be greatly missed in out Chatty Cathy groups. She brought so much joy and love to the conventions. I was at 2 conventions with her, she always went out of her way to help make them special. At one she gave us all stick horses for our Dolls to ride. She also made the most gorgeous bridal gowns for Chatty Cathy.
